If you are a taxpayer, **you can turn every £1 you donate into £1.25 at no cost to you.** For every pound you give us we can claim an extra 25 pence from Her Majesty's Revenue and Customs.

**You don't necessarily have to be working to be paying tax.** The tax you've paid could include: Tax deducted at source from savings interest, Tax on State Pension and/or other pensions, Tax on investment or rental income (including tax credits on UK dividends) and Capital Gains Tax on gains.

However, you must have paid at least as much income tax (and/or capital gains tax) as the charities you support are going to claim. So for instance if you give £100 a year to charities you need to pay at least £25 a year in tax.

Please treat as Gift Aid donations all qualifying gifts of money made
